

Request for Proposal

Battery BackupsT2021056

Flippin Public Schools is now taking bid requests for battery backups. Please submit quotes to Todd Clayton via mail: 210 Alford St. Flippin, AR 72634 or email: bids@flippinschools.net

Bidding will end at **2:00 pm** on **January, 8 2021**. Bids received after this time will not be considered unless otherwise stated. Notification of the winning bidder will follow via email.

The items in the quote must meet or exceed the below specifications. If quoting more than one like item, a separate quote is required. Deviating from the below description will disqualify your quote.

Battery Backup- Quantity Total 15

- 2 backups for the server rack.
 - Server rack is a 4 post rack
 - The server rack has 5 servers and 1 switch
 - Each server will connect to each battery backup
- 13 additional backups that will backup only 1 switch.
- All backups should have network connectivity and the software to properly shutdown servers.
- Each backup should have a minimum run time of 30 minutes.
- Installation and configuration will not be required.
