Directions: The LEA Plan for Use of ARP ESSER Funds requires planning the full allocation. The template below will assist in the development of the district plan. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to provide the practice and evidence that will be utilized by the district. The plan may be revised by notifying the DESE and uploading the revised plans in Indistar and on the district website (please include the revision date on all documents).

- 1. Creating Safe and Healthy Learning Environments:** Determine if ARP funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening school, in order to continuously and safely open and operate schools for in-person learning. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

Program Code	Practice	Description	Projected Amount

2. **Addressing Lost Instructional Time or Loss of Learning:** Describe how the LEA will use the funds it reserves under Section 2001 (e) (1) of the ARP Act to address the academic impact of lost instructional time through the implementation of **evidencebased interventions**. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions include the personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidence based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence based practices resources may be found on page 7 of Empowering Schools for Success Using Effective Evidence Based Practices to Impact Student Outcomes. Districts may select evidence based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

2. A. **Process for Monitoring Implementation:** Describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under Section 2001 (e) (1) of the ARP Act to address the academic impact of lost instruction time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Description: Interventions implemented to address the impact of learning loss will focus on ensuring that all students receive individualized instruction based on skill assessment by highly qualified educators as well as equitable services and programs. These services and programs include utilizing resources both during and in-addition to the school day to maximize learning opportunities for all students impacted by the COVID-19 pandemic. Evidence-based interventions will also include professional development training for teachers so they may become experts on addressing essential standards, assessing learning gaps, and planning for Tier 1, 2, and 3 interventions and growing student achievement.

2. B. **Process for Evaluating Implementation:** Please describe how the LEA will evaluate the effectiveness of these interventions.

Evaluation: Interventions and programs will be evaluated through individual assessments as well as school-wide assessments which may include the following: skill-based common formative assessments, interim assessments, iReady, ACT Aspire, WIN assessments, individualized performance level assessments, progress monitoring, STAR Math, Star Reading and digital curriculum-based assessments. Data will be analyzed for learning gaps and monitored as students work through individualized interventions and programs and adjusted as student growth improved or declines.

3. **Supporting Educator and Staff Stability and Well-Being:** Determine if ARP funds will be used to support educator and staff stability and well-being consistent with Section 2001 (e) (2) of the ARP Act. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

Program Code	Practice	Description	Projected Amount
185	Technology	Technology that supports learning and enables students to learn anywhere and for teachers to teach essential standards.	\$ 150,000.00
160, 180	Additional pay	COVID-19 related expenditures related to preventing disruptions and closures. Recruitment and retention of a diverse and Qualified educator workforce.	\$ 725,000.00
191	Maintenance of Equity	Continue operations without disruption including employment, programs and addressing budget shortfalls.	\$ 57,557.32 (indirect cost)
191	COVID Leave For Employees	Up to 10 days of COVID leave for employees. This will allow the LEA to continue to employ existing staff without undue hardship.
