1.1—LEGAL STATUS OF THE BOARD OF DIRECTORS

By the authority of Article 14 of the Arkansas Constitution, the General Assembly has provided that locally elected school boards will be responsible for the lawful operation and maintenance of its local schools.

While the Board has a broad range of powers and duties, its individual members only have authority when exercising their responsibilities in a legally convened meeting acting as a whole. The sole exception is when an individual member has been delegated authority to represent the Board for a specific, defined purpose. In matters such as personnel termination and grievances; student expulsions, and student suspensions initiated by the superintendent, the Board serves as a finder of fact, not unlike a jury. For this reason, the board should not be involved in or, to the extent practicable, informed of the facts or allegations of such matters prior to a board hearing or those disciplinary matters in which the Board could become involved.

It is the policy of the Flippin School Board that its actions will be taken with due regard for its legal responsibilities and in the belief that its actions shall be in the best interests of its students and the District as a whole.

The district is responsible for maintaining a record of the hours of training received by each board member. Board members shall make a concerted effort to submit documentation of training they have received to the superintendent or his/her designee. In the absence of such documentation, the district shall attempt to obtain records of training received from training providers.

Such training may be obtained from an institution of higher learning, from instruction provided by the Arkansas Department of Education or the Arkansas School Boards Association, or from other providers approved by the Arkansas Department of Education

A statement regarding the number of hours of training received each preceding calendar year shall be:

- Part of the district's comprehensive school plan and goals;
- Published in the same way as other components of the comprehensive plan and goals are required to be published;
- Part of the annual school performance report required to be submitted to, and published by the Arkansas Department of Education.

Board members shall be reimbursed, from school funds, for expenses relating to such training and Board members shall be paid a per diem stipend for days necessary to attend such training with the amount of such stipend to be determined by the Board in July of each year. ¹

1.2—BOARD ORGANIZATION and VACANCIES

Election of Officers

The Board shall elect the following officer positions:

- President;
- Vice President;
- Secretary¹; and
- Legislative Liaison².

Officers shall be elected at the first regular meeting following the later of the certification of the results of:

- The annual school election; or
- The results of a run-off election when there is a run-off election.

Officers shall serve until the Board's reorganization following the district's next annual school election and perform those duties as prescribed by policy of the Board.

In addition to the election of officers, the Board shall elect, through a resolution passed by a majority vote, one of its members to be the primary board disbursing officer and may designate one or more additional board members as alternate board disbursing officers.³ A copy of the resolution will be sent to the county treasurer and to the director of the Department of Finance and Administration.

When the position of an officer of the board becomes vacant, the officer's position shall be filled for the remainder of the year in the same manner as for the annual election of officers after the annual school election. Election of Board officers shall not occur except on a once per year basis or to fill an officer vacancy.⁴

Vacancies

A vacancy shall exist on the Board if a board member:

1. Moves his or her bona fide permanent residence outside the boundaries of the school district;
2. Fails to physically attend three (3) consecutive regular meetings of the school district board of directors;
3. Fails to physically attend six (6) regularly scheduled board meetings of the school board of directors in a calendar year;
4. Fails to receive the mandatory hours of training within the statutory time period;
5. Is convicted of a:
 - A. Felony; or
 - B. Violation of the ethical guidelines and prohibitions under § 6-24-101 et seq.;
6. Is called to active military duty;
7. Has been removed from office following a recall election;
8. Has served a full-length term as a holdover and has not subsequently been elected to another term;⁵

1.2—BOARD ORGANIZATION and VACANCIES (cont.)

9. Resigned from the school board of directors; or
10. Dies.

If credible evidence of a vacancy existing due to numbers 1 through 4 is presented to the president, vice president, or secretary of a school district board of directors, a majority of the members of the school district board of directors shall:

- Vote on whether to appoint an independent investigator to investigate the credible evidence presented; and
- Hold a hearing on the existence of a vacancy.⁶

A vacancy does not exist for numbers 2, 3, and 4 if the reason for the member's absences or failure to receive training is either:

- A. Military service of the board member; or
- B. Illness of the board member that is verified by a written sworn statement of the board member's attending physician.

When a vacancy occurs on the board of directors, the Board shall publish:

1. A notice of the existence of a vacancy on the Board;
2. The date of the meeting when the appointment of an individual to fill the vacancy shall be held;
3. The requirements for an individual to be considered for appointment to fill the vacancy;
4. The position on the board that is vacant, including zone if applicable⁷; and
5. Blank copies of any required forms.

The publication shall be:

- a. Made at least thirty (30) days before the meeting is held to appoint an individual to fill a vacancy;
- b. In a local newspaper covering the District, or District zone if applicable⁷;
- c. On the homepage of the District's website; and
- d. Made utilizing existing communication systems, including without limitation text messages, phone messages, and email, that the District uses to contact parents, legal guardians, persons having lawful control of a student, and persons standing in loco parentis.

Copies of the notice of the existence of a vacancy and the publication of the vacancy shall be provided to the county clerk of the county where the District is administratively domiciled.

An individual who wishes to be considered for appointment to fill a vacancy shall:

- Be a qualified elector who resides in the District or District zone, if applicable⁷; and

1.2—BOARD ORGANIZATION and VACANCIES (cont.)

- Submit a petition to the District that:
 - States the individual's intention to be considered for the appointment to fill the vacancy;
 - Is signed by at least twenty (20) qualified electors who reside within the District or the District zone where the vacancy exists, if applicable⁷; and
 - Submitted at least ten (10) days before the date the meeting to fill the vacancy is held.

Upon the receipt of a petition, the District shall, in writing:

1. Acknowledge the receipt of the petition;
2. Inform a candidate if the candidate's petition is insufficient or invalid;
3. If the candidate's petition is insufficient or invalid, what the candidate is required to do to cure the petition before the deadline; and
4. Request written answers to questions regarding the candidate that shall be submitted prior to the meeting when the vacancy will be filled.

At the meeting to fill the vacancy:

- a. All matters regarding the filling of the vacancy shall be discussed and acted upon in open session;
- b. Each candidate who submitted a sufficient and valid petition shall be provided at least five (5) minutes to present before the Board;
- c. Only candidates who have submitted a timely, valid, and sufficient petition shall be considered for appointment to fill the vacancy; and
- d. An individual shall not be the individual appointed to fill a vacancy if the individual was removed from the board:
 - Due to the individual's failure to receive the required training within the statutory time period; or
 - Following a recall election.

Except for a temporary vacancy due to military service, an individual appointed to fill a vacancy shall serve the remainder of the unexpired term until the individual's successor takes the oath of office. An individual appointed to fill a temporary vacancy due to military service shall serve until either the Board member who has been called to active military service returns and notifies the Board secretary of the individual's desire to resume service on the Board or the Board member's term expires. If a Board member's term expires while the board member is on active military duty, the Board member may run for re-election; if re-elected, the re-elected Board member's temporary vacancy shall be filled again in the manner prescribed in this policy.

The secretary of the school district board of directors shall notify the county clerk of an appointment to the school district board of directors within five (5) days of the appointment being made. The notice shall include the name of the appointed board member and the expiration date of the individual's term.

1.2—BOARD ORGANIZATION and VACANCIES (cont.)

The county quorum court of the county in which a majority of the residents are represented by the vacant position shall be responsible for appointing an individual to fill the vacancy if:

- As a result of several vacancies on the school district board of directors, only a minority of board members remains;
- The District Board fails to fill the vacancy within ninety (90) days; or
- The District Board of Directors declines to fill the vacancy.

An individual appointed to fill a vacancy must submit proof of having received the oath of office to the county clerk before the individual may assume any duties

Notes: ¹ While A.C.A. § 6-13-618 provides the option to elect an individual who is not a member of the board to serve as Secretary, we strongly advise against doing so because the position of secretary has several powerful statutory authorities, which include co-signing some documents and the calling of special board meetings. The board member elected as Secretary does NOT have to be the individual who also takes the minutes and, in fact, seldom is. If you choose to have a staff member be responsible for recording the minutes, which allows the board members to focus on the meeting rather than on taking notes, be sure to look at Policy 8.11—OVERTIME, COMPTIME, and COMPLYING WITH FLSA.

² The legislative liaison position is not statutorily required but is requested by ASBA so each board has at least one individual selected to receive and respond to

ASBA's legislative updates. A longer explanation and list of duties can be found in Policy 1.20—DUTIES OF THE LEGISLATIVE LIAISON. Your district could choose to make it part of another officer's duties rather than a separate office.

³ You do not have to elect alternate disbursing officers. If you do choose to elect alternate disbursing officers change the first sentence in Policy 1.16 to reflect the allowance of signatures of alternate disbursing officers. If you choose to not have alternate disbursing officers delete that portion of the sentence in this policy. Among the considerations in choosing whether to have alternate disbursing officers is the question of how many possible signatories your district is comfortable having. At the same time, it needs to be considered whether you choose to have all signatures handwritten or if you will allow facsimile signatures. Facsimile signatures effectively negate the need for alternate disbursing officers.

Our recommended language for the resolution on the election of disbursing officers is:

The _____ School District Board of Directors resolves that _____ is our disbursing officer and (if applicable) _____ is our alternative disbursing officer.

⁴This sentence is optional; there is no statutory restriction on how often the board can elect its officers. We have included it, however, because multiple elections in a year can be disruptive to a board.

⁵For a full explanation of holdovers see policy 1.19.

1.2—BOARD ORGANIZATION and VACANCIES (cont.)

⁶ The requirements for the hearing are set forth at A.C.A. § 6-13-611(b)(2) through (6).

⁷ While the language requiring an individual to reside within the same zone as the vacant position in order to be appointed to a zoned position is a statutory requirement, you may remove the language requiring the individual to be appointed to reside in the same zone as the vacant position if all of your positions on the board are elected at large instead of zoned.

1.6—BOARD MEMBER VOTING

Establishment of a Quorum

A quorum of the Board is a majority of the membership of the Board. No vote or other board action may be taken unless there is a quorum present. Except as provided in Policy 1.6.1—ATTENDING MEETINGS REMOTELY¹, all Board member must be physically present at a meeting to be counted toward establishing a quorum or to be eligible to vote. A majority of the quorum voting affirmatively is necessary for the passage of any motion. A quorum must be physically present for a board to enter executive session for any reason.

Voting and failure to vote

Except as provided in Policy 1.6.1—ATTENDING MEETINGS REMOTELY¹, all Board members, including the President, shall vote on each motion, following a second² and discussion of that motion.

Failure of any Board member to vote, while physically present in the meeting room, shall be counted as a “no” vote, i.e., a vote against the motion.

Only those votes taken by the Board in open session are legally binding. No motion made or vote taken in executive session is legally binding, although a non-binding, unofficial and non-recorded vote may be taken in executive session to establish consensus or further discussion.

Abstentions from Voting

In order for a Board member to abstain from voting, he must declare a conflict and remove himself from the meeting room during the vote. A Board member who removes himself/herself from a meeting during a vote due to a conflict of interest shall not be considered present at the meeting for the purpose of establishing a quorum until the member returns to the meeting after the vote.

In accordance with Policy 1.6.1, a board member who is attending remotely shall be treated as having left the room for any vote on an item discussed in executive session even if the board member is remotely present for the vote. The minutes shall record the board member attending remotely by name and describe the board member as non-voting in accordance with A.C.A. § 6-13-619(d)(3)(B)(ii).¹

1.6.1—ATTENDING MEETINGS REMOTELY

The Board of Directors permits members who would be otherwise unable to physically attend a board meeting to attend the meeting remotely. Except where prohibited by this policy, a board member who attends remotely shall have the same rights and privileges as if the board member were physically present. A board member who will be unable to physically attend a board meeting is responsible for notifying the superintendent at least one (1) hour prior to the scheduled meeting time that the member will be unable to physically attend the meeting and intends to attend remotely.¹

The method used to permit members of the board of directors to attend remotely shall:

- 1) Provide a method for the president or secretary of the board of directors to verify the identity of the member(s) attending remotely;²
- 2) Allow the members of the Board physically present and members of the public to hear the member(s) attending remotely at all times; and
- 3) Allow the member(s) attending remotely to hear the members of the board of directors physically present at the meeting at all times and any public comment.

A board member attending remotely shall not:

- a) Attend an executive session or closed hearing; or
- b) Vote on an issue that is the subject of an executive session or closed hearing.

The Board minutes shall indicate if a board member is attending remotely and the method used to permit the member to attend remotely. If an executive session occurs during a meeting when a board member is attending remotely, the minutes will treat the board member attending remotely as though the member had left the room for any vote on a subject discussed in the executive session.

Up to three (3) times per calendar year, the board of directors may count a board member attending remotely for the purpose of establishing a quorum.³ A board member attending remotely used to establish a quorum shall not be counted to determine if the board may enter executive session.⁴

Notes: This is an optional policy. Your board is not required to allow board members to attend remotely. If you decide not to adopt this policy, make sure that you remove the exception language indicated by footnote 1 in Policy 1.6.

² There are multiple methods a district can use that allow the verification of an attendee's identity. A couple suggestions would be Microsoft Teams; Zoom; or a call in service, if the call in password was only sent to the email address of the board member who will be attending remotely.

1.6.1—ATTENDING MEETINGS REMOTELY

³ The three (3) times when a remotely attending member may be counted towards a quorum is per board and not per each individual board member.

⁴ A.C.A. § 6-13-619(c)(3) requires a quorum of the board be physically present for the board to enter executive session.

1.8—GOVERNANCE BY POLICY

The district shall operate within the legal frameworks of the State and Federal Constitutions; appropriate State and Federal statutes; State rules; Federal regulations; and court decisions. The legal frameworks governing the district shall be augmented by policies adopted by the District board of directors which shall serve to further define the operations of the district.

When necessitated by unforeseen circumstances, the Superintendent shall have the power to decide and take appropriate action for an area not covered by the legal frameworks or a policy of the Board. The Superintendent shall inform the members of the Board of such action. The Board shall then consider whether it is necessary to formulate and adopt a policy to cover such circumstances.

The official copy of the policy manual for the District shall be kept in the Superintendent's office. Copies of the manual within the District shall be kept current, but if a discrepancy occurs between manuals, the Superintendent's version shall be regarded as authoritative.

Date Adopted: 7/25/2005

Last Revised: 10/27/2008; 7/16/2012; 2/11/2020

1.9—POLICY FORMULATION

The Board affirms through its policies and its policy adoption process, its belief that:

- (1) the schools belong to the people who create them by consent and support them by taxation;
- (2) the schools are only as strong as an informed citizenry and knowledgeable school staff allow them to be; (3) the support is based on knowledge of, understanding about, and participation in the efforts of its public schools.
- 3)the support is based on knowledge of, understanding about, and participation in the efforts of its public schools.

The following shall be the guidelines for policy adoption for the Flippin School District.

General Policies

Policies that are not personnel policies may be recommended by;

- The Board or any member of the Board;
- The Superintendent, Assistant Superintendent, any other administrator or employee of the District
- Committee appointed by the Board; or
- Any member of the public.

Policies adopted by the Board shall be within the legal framework of the State and Federal Constitutions appropriate State and Federal statutes; State rules; Federal Regulations; and court decisions.

Except for personnel policies, when reviewing a proposed policy (non-personnel), the Board may elect to adopt, amend, refer back to the person proposing the policy for further consideration, take it under advisement, reject it, or refuse to consider such proposal.

Licensed and Classified Personnel Policies

Personnel policies (including employee salary schedules) shall be created, amended, or deleted in accordance with State law:

(1) Board Proposals:

The Board may adopt a proposed personnel policy by a majority vote. Such policies may be proposed to the Board by a Board member or the Superintendent. The Board may choose to adopt the proposal, as a proposal only, by majority vote.

Following the adoption of a proposed personnel policy, the proposal must be presented to the appropriate Personnel Policy Committee (PPC). Such presentation shall be in writing, to all members of the Committee.

When the PPC has possessed the proposed personnel policy for a minimum of ten (10) working days from the date the PPC received the proposed policy (i.e., ten (10) workdays, not including weekends or state or national holidays), the Chairman of the PPC, or the Chairman's designee, shall be placed on the Board of Director's meeting agenda to make an oral presentation to the Board to address the proposed policy.

1.9—POLICY FORMULATION (Cont.)

Following the presentation, the Board may vote at the same meeting at which the proposal is made, or, in any case, no later than the next regular Board meeting to ;

- a) Adopt the Board's original proposed policy as a policy;
- (b) Adopt the PPC's counter proposed policy as a policy; or
- (c) Refer the PPC's counter proposed policy back to the PPC for further study and revision. Any such referral is subject to the same adoption process as a proposed policy originating from the board.

(2) Personnel Policies Committee Proposals:

Either PPC may recommend changes in personnel policies to the Board. When making such a proposal the Chairman of the PPC, or the Chairman's designee, shall be placed on the Board of Director's meeting agenda to make an oral presentation to the Board.

The Board may vote on the proposed policy at the same meeting at which the proposal is made, or, in any case, no later than the next regular Board meeting. In voting on a proposed policy from the PPC, the Board may:

- (a) Adopt the proposal;
- (b) Reject the proposal; or
- (c) Refer the proposal back to the Personnel Policies Committee for further study and revision.

All personnel policies must be sent to the PPC for the minimum ten (10) days regardless of the intended effective date of the policy.

Effective date of policy changes:

All personnel policy changes enacted during one fiscal year will become effective on the first day of the following fiscal year, July 1. This specifically includes any changes made between May 1 and June 30 to ensure compliance with state or federal laws; state rules; federal regulations; or the Division of Elementary and Secondary Education Commissioner's Memos. In addition, changes to policies to maintain compliance with state or federal laws; state rules; federal regulations; or Commissioner's Memos that are after June 30 but are adopted within ninety (90) days from the effective date of the legal change that created the need for the policy adoption shall become effective on the final date of adoption.

1.9—POLICY FORMULATION (Cont.)

Changes made to licensed personnel policies between May 1 and June 30 that are **not** made to ensure compliance with state or federal laws; state rules; or federal regulations will take effect on July 1 of the same calendar year provided not later than five (5) working days after final board action, a notice of the change is sent to each affected employee by first class mail to the address on record in the personnel file². The notice of the change must include:

- a. The new or modified policy or policies provided in a form that clearly shows the additions underlined and the deletions stricken.
- b. A statement that due to the change(s), the employee has the power to unilaterally rescind his/her contract for a period of thirty (30) days after the school board took final action on the policy (policies). The rescission must be in the form of a letter within the thirty (30) day period.

Except for policy changes to ensure compliance with changes in the law that are adopted within the ninety (90) day window, for a policy change to be made effective prior to July 1 of the following fiscal year, a vote must be taken of by the appropriate PPC. If, by a majority vote the policy becomes effective as of the date of the vote, unless otherwise specified by the Board in requesting such vote. No PPC vote taken prior to final board action will be considered effective to make a policy change.

All non-personnel policy changes may become effective upon the Board's approval of the change, unless the Board specifies a different date.

The District shall create, revise, and adopt a District student media policy in conjunction with the District's student media advisor(s) and appropriate District administrators.

The District's personnel policy committees shall annually review the District's student discipline policies along with State and District Discipline data. Based on the committees' annual review, the committees may recommend changes to such policies to the Board of Directors.²

Parents, students, and school district personnel, including teachers, shall be involved in the development of student discipline policies.³

Note: ¹.Districts should plan carefully to avoid accidentally triggering the late-adopted personnel policy right of rescission. School employees who take the opportunity to escape their contractual obligations and leave the school district would be very disruptive to staffing plans for the next school year. Salary schedules for the upcoming school year, in particular, should either be adopted prior to May 1, or on July 1 (and requiring a vote of the applicable PPC to be effective) thus avoiding the right of rescission.

²This sentence is governed by Arkansas law. ASBA believes any PPC review of student discipline policies is to be initiated by the PPC. There is no district requirement to make sure it happens.

1.9—POLICY FORMULATION (Cont.)

⁴ ASBA believes this statutory requirement is an "umbrella" requirement for discipline policies in general rather than requiring EVERY discipline policy to go through a stakeholder committee pre-approval process. ASBA also believes input from such stakeholders is an important factor in improving discipline policies and gaining/keeping support for those policies.

Board members who are elected to serve an initial or non –continuous term shall obtain a minimum of nine (9) hours of training by December 31 of the year following their election and a minimum of six (6) hours of training by December 31 of each calendar year thereafter. The initial nine (9) hours of training a board member receives shall include:

- Training on how to read and interpret an audit report; and
- Information regarding school safety and student discipline for board members elected after January 1, 2019.

Board members who have served on the board for twelve (12) or more consecutive months are required to obtain a minimum of six (6) hours of training by December 31 of each calendar year. Hours a board member obtains in excess of the required minimums may be carried forward through December 31 of the third (3rd) calendar year following the year in which the hours were earned.

The superintendent shall annually prepare a report on board training hours to be presented to the Board at the Board's regular January meeting. The report shall be presented in a table format with a row for each board member and columns for each of the following:

1. The hours of training each school board member received between January 1 and December 31 of the previous calendar year;
2. Hours of training, if any, a board member carried forward from a previous year that were eligible to be counted by the board member towards the previous year;
3. The sum of numbers 1 and 2; and
4. The number of training hours the board member was required to receive during the previous calendar year.

A board member who failed to receive or carry forward the required number of hours of training, as indicated by the report, shall:

- a. Have from January 1 through thirty (30) days following the date of the January board meeting to complete the deficient hours of training; and
- b. Not participate in official business, except for school board training, until the board member obtains the deficient hours of training.

A board member who fails to receive the deficient hours of training within time provided shall be removed from the board in accordance with Policy 1.2—BOARD ORGANIZATION AND VACANCIES unless the failure to receive the required hours of training was due to the board member's military service or a serious medical condition as indicated by a written sworn statement from the board member's treating physician. A board member who provides the necessary documentation demonstrating that the failure to receive the required hours of training was due to military service or a serious illness shall have until December 31 of the current calendar year to receive both the hours of training for the current calendar year and those the board member failed to obtain during the previous calendar year.

The responsibilities include, but are not limited to: legal requirements; financial management; improving student achievement; reading and interpreting an audit report; and the duties and responsibilities of the various levels of employees within the district as well as those of the board of directors; and information regarding school safety and student discipline.

The district is responsible for maintaining a record of the hours of training received by each board member. Board members shall make a concerted effort to submit documentation of training they have received to the superintendent or the superintendent's designee. In the absence of such documentation, the district shall attempt to obtain records of training received from training providers.

Such training may be obtained from an institution of higher learning, from instruction provided by the Division of Elementary and Secondary Education (DESE), the Arkansas School Boards Association, or from other providers approved by the DESE.

A statement regarding the number of hours of training received each preceding calendar year shall be:

- Part of the district's comprehensive school plan and goals;
- Published in the same way as other components of the comprehensive plan and goals are required to be published;
- Part of the annual school performance report required to be submitted to, and published by the DESE.

Board members shall be reimbursed, from school funds, for expenses relating to such training.

District patrons wishing to have an item placed on the Board meeting's agenda must submit their requests, in writing to the Superintendent², at least five (5)³ days prior to the meeting of the Board. The written request must be sufficiently descriptive to enable the Superintendent and Board President to fully understand and evaluate its appropriateness to be an agenda item. Such requests may be accepted, rejected, or referred back to the individual for further clarification.

The Superintendent shall notify the Board President of all written requests to be placed on the agenda along with the Superintendent's recommendation concerning the request. No item shall be placed on the agenda that would operate to prejudice the Board concerning a student or personnel matter that could come before the Board for disciplinary or employment considerations or that is in conflict with other District policy or law.

Patrons whose written request to be placed on the meeting's agenda has been accepted shall have no more than five (5)⁴ minutes to present to the Board unless specifically granted additional time by a motion approved by a majority of the Board. The speaker shall limit his/her comments to the approved topic/issue or forfeit his/her right to address the Board. The members of the Board will listen to the patron's presentation, but shall not respond to the presenter during the meeting in which the presentation is made. The Board may choose to discuss the issue presented at a later meeting, but is under no obligation to do so.

Individuals who sign up to provide public comment shall have three (3)⁷ minutes to provide public comment as follows:

Individuals who have not signed up to provide public comment on an item on the meeting's agenda shall be given an opportunity for public comment at the start of the Board meeting prior to any business or an executive session. The employment of a present board member's family member shall only be made in unusual and limited circumstances. The authority to make the determination of what qualifies as “unusual and limited circumstances” rests with the Commissioner whose approval is required before the employment contract is effective, valid, or enforceable.

Initial employment for a sum of less than five thousand dollars (\$5,000) per employment contract or, in the absence of an employment contract, calendar year does not come under the purview of this policy and is permitted.

1.18—DISTRICT AUDITS

The District's annual audit serves as an important opportunity for the Board of Directors to review the fiscal operations and health of the district. As such, it is vital Board members receive sufficient explanation of each audit report to enable the members to understand the report's findings and help them better understand the District's fiscal operations.

The District shall have an audit conducted annually within the timelines prescribed by law. The audit shall be conducted by the Arkansas Legislative Audit or through the audit services of a private Licensed public accountant(s) approved by the Board.

The Board of Directors shall review each annual audit at the first regularly scheduled board meeting following the receipt of the audit if the District received the audit prior to ten (10) days before the regularly scheduled meeting. If the audit report is received less than ten (10) days prior to a regularly scheduled board meeting, the board may review the report at the next regularly scheduled board meeting following the ten (10) day period.

The Superintendent shall present sufficient supporting/background information relating to the report's findings and recommendations which will enable the Board of Directors to direct the Superintendent to take appropriate action in the form of a motion or motions relating to each finding and recommendation contained in the audit report. Actions to be taken will be in sufficient detail to enable the Board of Directors to monitor the District's progress in addressing substantial findings and recommendations and subsequently determine that they have been corrected. The minutes of the Board's meeting shall document the review of the audit's findings and recommendations along with any motions made by the Board or actions directed to be taken by the Superintendent or designee.

The Board of Directors is responsible for presenting the audit's findings each year to the public .¹

Notes: ¹ The Standards For Accreditation (3-B.2) requires the district provide an annual report to the public by October 15, but does not expressly state that the report to the public include the audits' findings. A.C.A. § 6-13-620(6)(F) requires the reporting of the audit's findings, but doesn't specify any date by which they must be reported. In other words, you MAY go over the audit report at you annual meeting, but it is not required.

1.19—BOARD MEMBER LENGTH OF TERM and HOLDOVERS

The District has (five) 5¹ Board of Directors members. Each member is elected for a term of service of (five) 5² years. Members may be re-elected to serve consecutive terms so long as the member continues to meet the eligibility requirements for board service.

A board member remains in office until the member's successor has been sworn into office. In the event a board member's term of office has expired and no one is elected to replace the member, or the individual elected fails to receive the oath of office within the time set in statute, the board member becomes a "holdover" and is treated as having been re-elected to office for another term;³ Board members may only serve one term as a holdover and may be re-elected to the board at the expiration of the holdover term. Consequently, should no individual be elected to the position at the expiration of the holdover term, the position shall be declared to be vacant and filled in accordance with Policy 1.2—BOARD ORGANIZATION AND VACANCIES and Arkansas law. Board members not wishing to continue as a holdover may resign from office and the position is to be filled in accordance with Policy 1.2.

Notes: ¹ Insert your district's number of board members. Except for a very few grandfathered exceptions, the number of board members is statutorily required to be *either* five (5); or seven (7); members; however, if the district has an average daily membership of twenty thousand (20,000) or higher, then the district may have, nine (9) board members.

² Insert the number of years a board member is elected to serve. The number of years must be either four (4) or six (6) years.

- Keep the other members of the Board up to date on legislative issues;
- Make arrangements for the legislators whose representation zones cover the District to be contacted by either the liaison him/herself or by another board member on pending issues that would impact the District.

Notes: The legislative liaison position and this policy are not statutorily required but is requested by ASBA so each board has at least one individual selected to receive and respond to ASBA's legislative updates. Your district could choose to make it part of another officer's duties rather than a separate office.

¹ Multiple board members from a district may elect to receive legislative updates from ASBA but all legislative liaisons will automatically be added to the email list to receive legislative updates.

1.24—BOARD REPRESENTATIVE ON EDUCATION SERVICE COOPERATIVE BOARD OF DIRECTORS

The Flippin School District Board of Directors shall adopt a resolution to appoint an individual as the Board's representative on the Ozark Unlimited¹ Education Service Cooperative Board of Directors during a legally held meeting of the Board that is signed by both the Board president and secretary.

The individual selected to represent the Board on the Ozark Unlimited¹ Education Service Cooperative Board of Directors shall and fall under one (1) of the following:

- The District superintendent;
- An employee of the District;
- A member of the District's Board; or
- A member of the District community who resides within the boundaries of the District².

A copy of the resolution shall be forwarded to the director of the Ozark Unlimited¹ Education Service Cooperative:

- By June 30 of each year; and
- As soon as possible after the Board selects a representative to fill a vacancy.

The appointment as the Board's representative on the Ozark Unlimited¹ Education Service Cooperative shall be for a two (2) year term. An individual shall hold over until the individual's successor is appointed. The Board may appoint the same individual for subsequent terms.

Notes: A model resolution for the selection of the representative for the board can be found on our Policy Resources Page: <https://www.arsba.org/page/policy-resources>.

As the law allows a community member to serve as the representative of the board, the board will need to choose whether or not an individual's appointment will end if the individual leaves the district employ or the district board but continues to reside within the district boundaries. We would recommend adopting either:

The Board's position on the _____¹ Education Service Cooperative Board of Directors shall be vacant if the individual was a District employee, including the superintendent, or a member of the Districts Board and the individual leaves the District's employee or the Board.

Or:

The Board's position on the _____¹ Education Service Cooperative Board of Directors shall not be vacant if the individual was a District employee, including the superintendent, or a member of the Districts Board and the individual leaves the District's employee or the Board but continues to reside within the District boundaries.

1.24—BOARD REPRESENTATIVE ON EDUCATION SERVICE COOPERATIVE BOARD OF DIRECTORS

¹ Replace the name here with the name of the education service cooperative where your district is a member.

² The law requires that if the individual appointed is a member of the community, then the individual must reside within the boundaries of the education service cooperative.
